Community News

Potomac Greenough Community Center is in need of board members. We would like to thank Dee Clark and Yalanda Hinkle for all their volunteer help and for their many years of service on the community center board. They will be leaving us this fall and winter for new adventures in their lives. Dee has been our scheduler and Yalanda has been our treasurer and we appreciate them for all they have done for the center and the community.

We would like to welcome Tom Brown as a new board member!

As our building ages, 40 years old now, there are many upgrades and repairs needed to maintain the integrity of the building and keep our center in good working order for the next forty years for the community and the school. We have new wiring at the center to accommodate the added electrical needs of the building. Challenges we are saving for include siding (not in good shape), roofing (still in good shape today) and furnace upgrade (still operating but an old furnace), and that unknown repair lurking out there.

We would like to invite anyone to attend our monthly meetings, the first Monday of the month at 7 PM. Please consider becoming a board member to help us maintain our community center.
