Welcome to the 2016 Volleyball Season!

This year we have 6 weeks of practice and games. Let's make this season the BEST SEASON EVER!!! I am looking forward to getting to know each of you and helping you to improve your skills as a volleyball player and an athlete! I hope to help you learn how to build a successful team with positive teamwork!

- With your hard work and dedication, we CAN and WILL succeed! Positive attitudes are the favorites, let's start off this season on a positive note...

(Remember, there is no such thing as CAN'T! It is a word that limits our abilities, and stunts our growth as an athlete!)

- Feel free to contact me at any time: Kristy Pohlman 677-4376 (cell) 244-5581 ext. 212 (School)

Defeat is not the worst of failures. Not to have tried is the true failure. – George Edward Woodberry
Success is dependent on effort. -Sophocles

I ask that you take this schedule seriously. I am committed to making this season a success, but it also takes commitment from each of you as a player. If you are unable to make a scheduled practice, it will impact your court time on game days. It is important to make each practice, as we will be learning and growing as a team with each practice. If you miss a practice, you impact your growth as a player. Eligibility will also have an impact on your court time, so please make sure and work hard on your schoolwork, making it a priority!
