Child Find

Tuesday, February 19th, 2014 from 9 am until noon by appointment. This event is for screening of preschool age children.

From the Principal:

As most of Potomac staff and community already know, I was selected as a finalist for the Corvallis School District's Superintendent position. This morning I was verbally offered and accepted the superintendent position at the Corvallis School District.

I am excited about this new opportunity. At the same time, thoughts of my time in Potomac coming to an end are filled with emotion. Words don't fully capture the immense gratitude I have regarding this community. I would prefer to save the good byes until much later in the year. My work here will officially end June 30th and we have much to accomplish in the remaining months of this school year.

With gratitude and sincere admiration,

Tim Johnson
...and Saroka

Trustee Positions

Please pick up an application at the office if you are interested in running for one of three board terms opening this spring.

Media / Center Library Schedule

Tuesdays from 4:00pm-6:30 pm,

Wednesdays & Thursdays from 4:30pm-6:30 pm

Just bring your Missoula Public Library card!

Bingo Basket Assembly

PTC will be assembling and “beautifying” the Bingo prize baskets Thursday evening, February 27 at Cliff and Amy Vann’s home. All are welcome to help with this project. Please call Amy at, 244-2080 to RSVP.

Substitutes Needed

We are currently in need of a person or 2 who would be willing to be trained as a substitute for our janitorial - maintenance position. An application can be picked up at the school office.

K-3rd Grade Robotics

K-3 robotics will be every Monday in March and April (except Spring Break week). Starting Monday, March 3, running from 4:30-6pm. Please be sure to write a note for your child's teacher so they will know to send them to robotics. Also, pack an extra snack for your child or bring snacks that we can hand out to all the kids.

Adult Education Classes

Limited space, call the office to sign up.

Email Basics - February 18 @ 1:00pm- Learn how to setup a free Google email account, attach and open files, how to send to groups, and more. With a Google email account, you can also create your own website (Potomac School's Website is a free Google website!), and create documents that can be shared with others AND edited at the same time online!
