Academic Push Dates

Fridays: February 19th, March 5th,
April 2nd, 9th & 23rd, May 7th

We are approaching the midway point of our third quarter of the school year, and I would like to express my thanks and appreciation to all those parents, grandparents, and community members who continue to support Potomac School. In particular, a big “Thank You” goes to those parents and grandparents who find time in their busy days to talk frequently to their students about their school day. As you are aware, our big academic push is literacy which includes not only reading, but also math, social studies, and science. Ask your students to share with you what they are learning and make sure that you are encouraging them to read each night while limiting the amount of time the students spend watching TV or playing video games.

John Rouse, Principal

Happy Valentine's Day!
