Help Your Child Get Ready for Kindergarten and Have Fun!

Dear Families,

Have you wondered how to help get your child ready for kindergarten? You are invited to a series of family workshops to find out. We provide care for your child(ren) while you learn about how you can support your child's literacy development, and then the whole family can "play" with literacy together.

The workshops are free for families. The sessions will begin on **Feb. 19, 2020** and will go through May 20th. Our first session will be on Feb. 19th and will be held from **6:30pm to about 8pm**.

Each session will be held at the school in Kindergarten and 1st grade classrooms.

In each session, you will see videos of families who support their child's literacy development every day. You will get to try out activities with your child that are fun, meaningful, and easy to do when you are at home. You will also receive materials to bring home. **All siblings are welcome also.**

The titles of the five sessions are:

- Literacy Happens at Home
- Literacy Happens in the Living Room
- Literacy Happens in the Kitchen
- Literacy Happens in the Bedroom and Bathroom
- Literacy Happens Out and About

At each session, activities will include games, crafts, and make-and-take activities, just to name a few. We hope you will join the fun!
