Thank you

Thank you, Clearwater Montana Properties for a donation of \$431.25 to Potomac School.
We appreciate their generosity.

From the 8th Grade Class

Thank you to all the supporters of our eighth-grade class for making it possible to go to Tampa Florida for our Eighth Grade Capstone Experience! We're looking forward to going to the Busch Gardens! It is an amusement park and zoo where you get to see a lot of animals like giraffes and rhinos and go on rides. Thank you all again!

Evan and Ezra

Over the next couple of weeks, our students will be participating in the yearly state testing. You can support your children during this time by making certain that they get adequate rest each week night and that they have breakfast before coming to school (unless they eat the school breakfasts). Please make certain that your child has access to a water bottle or container for use during the day.

Our teachers break up the parts of the assessment into reasonable time periods as allowed by the assessment requirements. We also use breaks to allow students opportunities to participate in physical activities and movement. With your help, we expect that our students will perform well on this year's state assessments.
