## Thank You PTC

The staff at Potomac School have been so spoiled this week!

We have the best group of parent/community support ever! Thank you so much for all of the effort you all put into this week to make us all feel appreciated. Also thank you to all the parents who showed their appreciation! Potomac Community is amazing!

## Carpenter Needed

Potomac School has a small construction project that needs to be done in June, and the administration is looking for a local carpenter who would be interested in performing the work. The main portion of the project is the removal of two existing (non-weight bearing) walls located in a classroom. Currently there is a small office area in one corner of a classroom. We need to have the two walls removed, so we can open that space for use in the existing classroom. We also need to replace a cracked window in one of the student restrooms.

If interested, please contact John Rouse or Justin Iverson at 406 244-5581 **before May 15th** for details on the scope of the job and bid requirements. Insurance bonds are not required.

# Community News

AA Meetings Wednesdays at 7pm,  
at the Blackfoot Church behind the school.
