Great Job Ms Wells

Following is a letter we received from the UofM after the Ropes Course/Art Museum field trip:
Dear Principal Johnson,

I write to relay greetings to you from the Montana Museum of Art & Culture at the University of Montana. I write on behalf of our docent group and our entire staff to commend teacher Janelle Wells on her exceptional work. She brought her students to our galleries in the UM PARTV Center after having prepared (during her time off) more thoroughly than any other teacher we know about. She prepared a comprehensive PowerPoint as a preface to the gallery visit for her class, met with a docent ahead of the tour and did an outstanding job from front to finish. In the words of our docents, "She was really incredible," in her efforts to create a high-quality learning experience for her students. We are all so impressed.

Best Regards,
Barbara Koostra
Director, MMAC
