Potomac Memories

Hello Potomac Community,

Mrs. Linnell's seventh and eighth grade English class is looking for community volunteers for an interview project. We would like to interview community members about their lives and, more specifically, their holiday memories of Potomac School. If you have been a part of Potomac School and/or the community and would be willing to give us a couple hours of your time, please call Janette, in the school office, at 244-5581 and leave your name and mailing address. The interviews will take place at the school on November 26th at 10:00. Some of the holiday memories will become part of the Holiday Memories Program on December 19.
