Box Tops for Education

Box Tops for Education will have fall collection completed by 10-22-2012 for this year. Please send in those remaining Box Tops soon.

Fire Safety Puppet Show

Every fall, the Missoula County Fire Protection Association visits local schools to teach fire safety through puppetry and song. Potomac's kindergarten and first grade enjoyed watching Fire Fighter Frank, Stan, Elvis the Dog, Zach, and Eddie sing and talk about fire safety. Sparky the Fire Dog also stopped by for a visit. The children told him all the fire safety rules they learned from the puppet show. He was very impressed! Thank you MCFPA for providing us this wonderful show!

Krispy Kreme

The upper school students will be taking orders for Krispy Kreme donuts to raise money for student activities. Place your order with a student or online by October 25th. Donuts can be picked up the morning of October 29th at Cully's.

Check In

For security reasons, we need to have all parent volunteers check in at the office when they get to the school. Thank you

Vista

Please welcome Hannah Still as our VISTA candidate! Hannah is graduating from University of Southern Florida this winter with an elementary education degree. Hannah brings with her a wide range of experiences that when discussed in the interview are "hand-in-glove" with what we are doing here in Potomac. Hannah will be working with Brian Christianson with Montana Campus Compact to complete the training required of VISTA candidates to become VISTA members.

Currently, we are looking for living space at a low cost or no cost for Hannah. If you have ideas available, please contact me ASAP. I would like to offer as many options to Hannah as possible. Thank you everyone for the patience and resources you've put toward this project beginning two years ago! Thank you everyone and Welcome Hannah!
