7 The Board acknowledges that the solicitations of funds from students, staff, and citizens must be  
8 limited since students are a captive audience and since solicitation can disrupt the program of the  
9 schools. Solicitation and collection of money by students for any purpose, including the  
10 collection of money by students in exchange for tickets, papers, magazine subscriptions, or for  
11 any other goods or services for the benefit of an approved school organization, may be permitted  
12 by the Principal, providing that the instructional program is not adversely affected.

13

14 The Principal shall establish rules and regulations for the solicitation of funds by approved school  
15 organizations, official school/parent groups and by outside organizations. The Principal shall  
16 distribute these rules and regulations to each student organization granted permission to solicit  
17 funds.
