5 Cooperative Programs With Other Districts and Public Agencies

6

7 Whenever it appears to the economic, administrative, and/or educational advantage of the  
8 District to participate in cooperative programs with other units of local government, the Principal  
9 will prepare and present for Board consideration an analysis of each cooperative proposal.

10

11 When formal cooperative agreements are developed, such agreements shall comply with  
12 requirements of the Interlocal Cooperation Act, with assurances that all parties to the agreement  
13 have legal authority to engage in the activities contemplated by the agreement.

14

15 The District may enter into an interlocal agreement providing for the sharing of teachers,  
16 specialists, principals, or other professional persons licensed under Title 37, MCA. If the District  
17 shares a teacher or specialist with another district(s), the District's share of such teacher's or  
18 specialist's compensation will be based on the total number of instructional hours expended by  
19 the teacher or the specialist in the District.
