7 The District will maintain a comprehensive insurance program which will provide adequate
8 coverage, as determined by the Board, in the event of loss or damage to school buildings and/or
9 equipment, including motor vehicles. The comprehensive insurance program will maximize the
10 District's protection and coverage while minimizing costs for insurance. This program may
11 include alternatives for sharing the risk between the District and an insurance carrier and through
12 self-insurance plans.

14 Privately Owned Property

15
16 The District will not assume responsibility for maintenance, repair, or replacement of any
17 privately owned property brought to a school or to a District function, unless the use or presence
18 of such property has been specifically requested in writing by the administration.
